Dear Mr. Blithe:

On behalf of the members of the Division of Fire and our governing body, please accept our sincere gratitude for donating two Garmin c330 GPS units. These electronic devices will be placed in our first out fire apparatus; one at the Union Fire Company Station and the other at the Taunton Fire Company Station. This will enable our firefighters to find the most direct route in our expansive coverage area and save time by using the most advanced means over our current methods.

We would like for you and your wife, Debbie, to attend our next Township Council meeting on Tuesday, February 13 at 7:30PM to be recognized for your generosity. It is through support such as yours that helps us achieve more to provide higher levels of service to the public.

Thanks again for your generosity and look forward to seeing you next week.

Sincerely,

Stephen Addezio  
Director of Public Safety
